Artistic Railings, Inc.

500 River Drive, Garfield, New Jersey 07026 • www.artisticrail.com

Over 50 years

Established in 1954

serving the industry

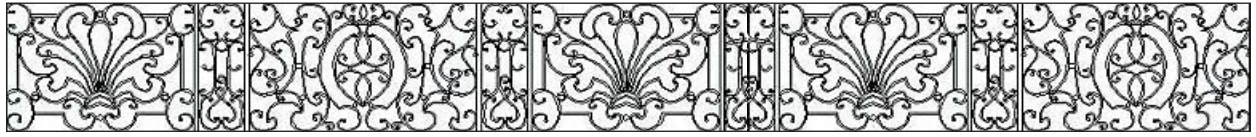

Artistic Railings, Inc. has been designing, restoring and reproducing quality architectural metalwork for over 50 years. Our self-imposed high standard of quality craftsmanship has produced a continually growing legacy of satisfied clients who enthusiastically refer our services to family, friends and associates.

We would like to thank you in advanced for taking time to view our Sweets catalog and our online portfolio and we look forward to working with you no matter how small or large a project you have.

Best Regards from
the Zuzik Family
& our Employees

Railings • Balconies • Gates
Bronze, Aluminum, Steel, Nickel Silver & Stainless Steel

Railings

Fabrication Processes

- i. Forging

- vi. Water Jet

Materials

- Aluminum
- Bronze
- Steel
- Stainless Steel
- Nickel Silver

Bronze Railings:

ARI works in multiple alloys of bronze - C38500, C65100, C23000, Muntz and Naval bronze to name a few

Interior Railings:

The Hallmark of our railings is the distinct level of quality

Cable Railing:

With a long history of designing custom cable railings, our professional experience brings your dreams to life.

Aluminum Railings:

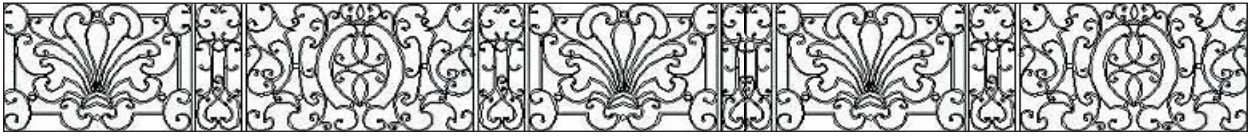

With over 40 years experience working with aluminum ARI produces one of the highest quality aluminum railings in the industry.

ADA Handrails & Pipe Railings:

Being compliant with ADAAG is part of every public buildings make up, whether a monumental stair entry or a wheel chair access ramp, the design is part of the functionality of both use and beauty.

Balconies

The Hallmark of an Ornamental Metal balcony is the truly exquisite character it adds to a project.

Classic:

The classic balcony is one that not only brings use and functionality to it's location but adds a distinctly higher level of beauty to the overall character of the structure it embraces.

Ceiling Balcony:

Belly balconies add a distinct level of elegance to the simplest of locations.

Hand Forged:

The old world craftsmanship of blacksmith origins is still alive in many of our commissions.

Bronze:

Artistic Railings Inc. works in many materials and bronze is just one of them.

Juliet Balcony:

This all aluminum one piece balcony provides an elegant, yet functional alternative to wood projections.

Modern:

Modern style balconies are just one of many design choices Clients have to ponder

First impressions are lasting and your property, building or home is the first and last image one sees. Our quality custom doors, gates and fences provide not only functionality, but add a distinct level of elegances to every project.

Doors

The quality and level of detail we adhere to in each of our commissions can be seen in every project we produce.

Fences

Specializing in restoring and producing high quality fence projects is just one aspect of our diverse metal working expertise.

Gates

Working in both wrought and cast materials we bring a diverse mixed process capability to every ornamental metal project.
